

Ella Lifestyle exclusive to Costco Members
Melbourne, Sydney, ACT, Adelaide

Dear Costco members,

COVID-19 update.

As we all navigate this difficult time be rest assured Ella Lifestyle are here to guide you through. We are monitoring the situation daily including all advice from State and Federal Government. Our main priority is to protect the health and well-being of our team and the Costco members.

At Ella Lifestyle we are committed to providing the Costco members with the highest commercial quality window coverings. Unfortunately, many of our industry colleagues have succumbed in these unforeseeable times and have closed. Our unique program being exclusive to Costco allows us to trade through these difficult times.

Please note consultations will continue under strict protocol until further notice. If preferred, we are also offering a virtual solution consult via smartphone or preferred device.

As per the standard process all purchases require full payment; and can be made in store or via Costco direct accounts. These funds are released for manufacturing once 'you' the member signs off that these goods are received ensuring the purchase is secure. We will endeavour to provide services within a timely manner.

Stay safe.

Kind regards,

Ella Lifestyle Team
